

EMPA #105 Laundering Program for Strength Retention after Multiple Laundering Cycles**AS 4146:2024; Appendix A****Wash Performance - Colour Measurement**

- *Test panels are available through our Material Supply Service.*
- *Useful tip: attach a bright coloured lead cloth or some other easily identifiable fabric swatch.*
- *For optimal testing results, swatches should be returned in a dry and pressed (flat) condition*
- *Return swatch with completed sample request form*

- *Note - it is essential to include the EMPA Batch # as part of your sample description.*
